

## ABOUT POSTER PRESENTATIONS

Poster presentations will be posted on panels for display in the Poster Area, which is on the ground floor of Administration building of FSFIS "NBG-NSC".

For poster presentation check the number and dates in the program for poster presentation.

At the poster site, there will be a designated space for your poster. Make sure that you attach your poster to a specially allotted place, and remove on the specified time.

Posters will be displayed within the related conference period.

**All poster presentations must be posted appropriately during YaltaBiotech 2018 in order to publish the manuscript in the Acta Horticulturae, an indexed journal.**

The Best Student Poster Award will be selected by ISHS Committee.

## POSTER GUIDELINES

Please use the following guidelines while preparing your poster:

- a) Posters must be prepared **in English**.
- b) When printed, the final dimensions of the poster must be **70 cm (width) x 100 cm (length)**.
- c) Posters should be formatted as follows:
  - Text formatted must be **ARIAL** font style
  - Main title should be at least **44 pt**.
  - Section headings (introduction, aim, material and methods, results, conclusion) should be at least **36 pt., bold** preferred.
  - Text should be at least **20 pt**.
  - Before you design your poster, consider how much text should appear in the display. the presentation must be balanced. Posters that contain pictures only will not be counted and they will be removed.
  - Text should be concise enough to be read in under 10 minutes and from a distance of 120 cm (about 4 feet).
  - Authors name should be **bold** and **28 pt**, underline name of presenting author.
  - Address of all authors should be indicated and **20 pt**. Authors names should be in the same row, separated with a comma. Authors from different institutions must be labeled with numbers in superscript after names. Only e-mail address of presenting authors should be given. Phone or fax number is not necessary.
  - Use photos, diagrams, graphs or any other artwork as a focal point to attract attention and these should be easily visible from a distance. Use high-resolution images for best printing results (**at least 200 dpi**). Avoid colors that will distract the viewer from the foci of your presentation. Everything must be laconically.
  - Tables should be at least **16 pt** and **short explanations** should be given for tables.
  - Discussion part is not obligatory but **conclusion should be present**.
  - In case of reference to the grant or any other funding, please indicate this information at the bottom of the poster.
